

IASC Drive-In Fall Workshop Application to Host

DUE by May 23, 2025

If you are interested in hosting a fall one day workshop, please complete the following form and return it to me **ASAP**. Fall Workshop locations will be selected, and you will be notified.

The schedule is set from 9:00 am – 12:30 pm. However, if we can make 2 sessions happen in a day we could do an afternoon session depending on location. You are responsible for providing a snack (drink and a bag of chips or cookies for each person). Your locations will need a large room that will hold 50 – 100 people seated on chairs and then the ability to move chairs or another big space. However, the room size will depend on the number registered.

If you wish to absorb the cost of the facility and food, you will be granted an honor delegate position for the 2026 IASC State Convention, this is NOT a free person. If you do not want the honor delegate position, you may submit your bills (receipt required) to the workshop director within one month of the workshop. The workshop director will then issue a check to cover your allowable expenses. All records of registration and bills must be returned to the workshop director as soon as possible.
